LOGIN PAGE

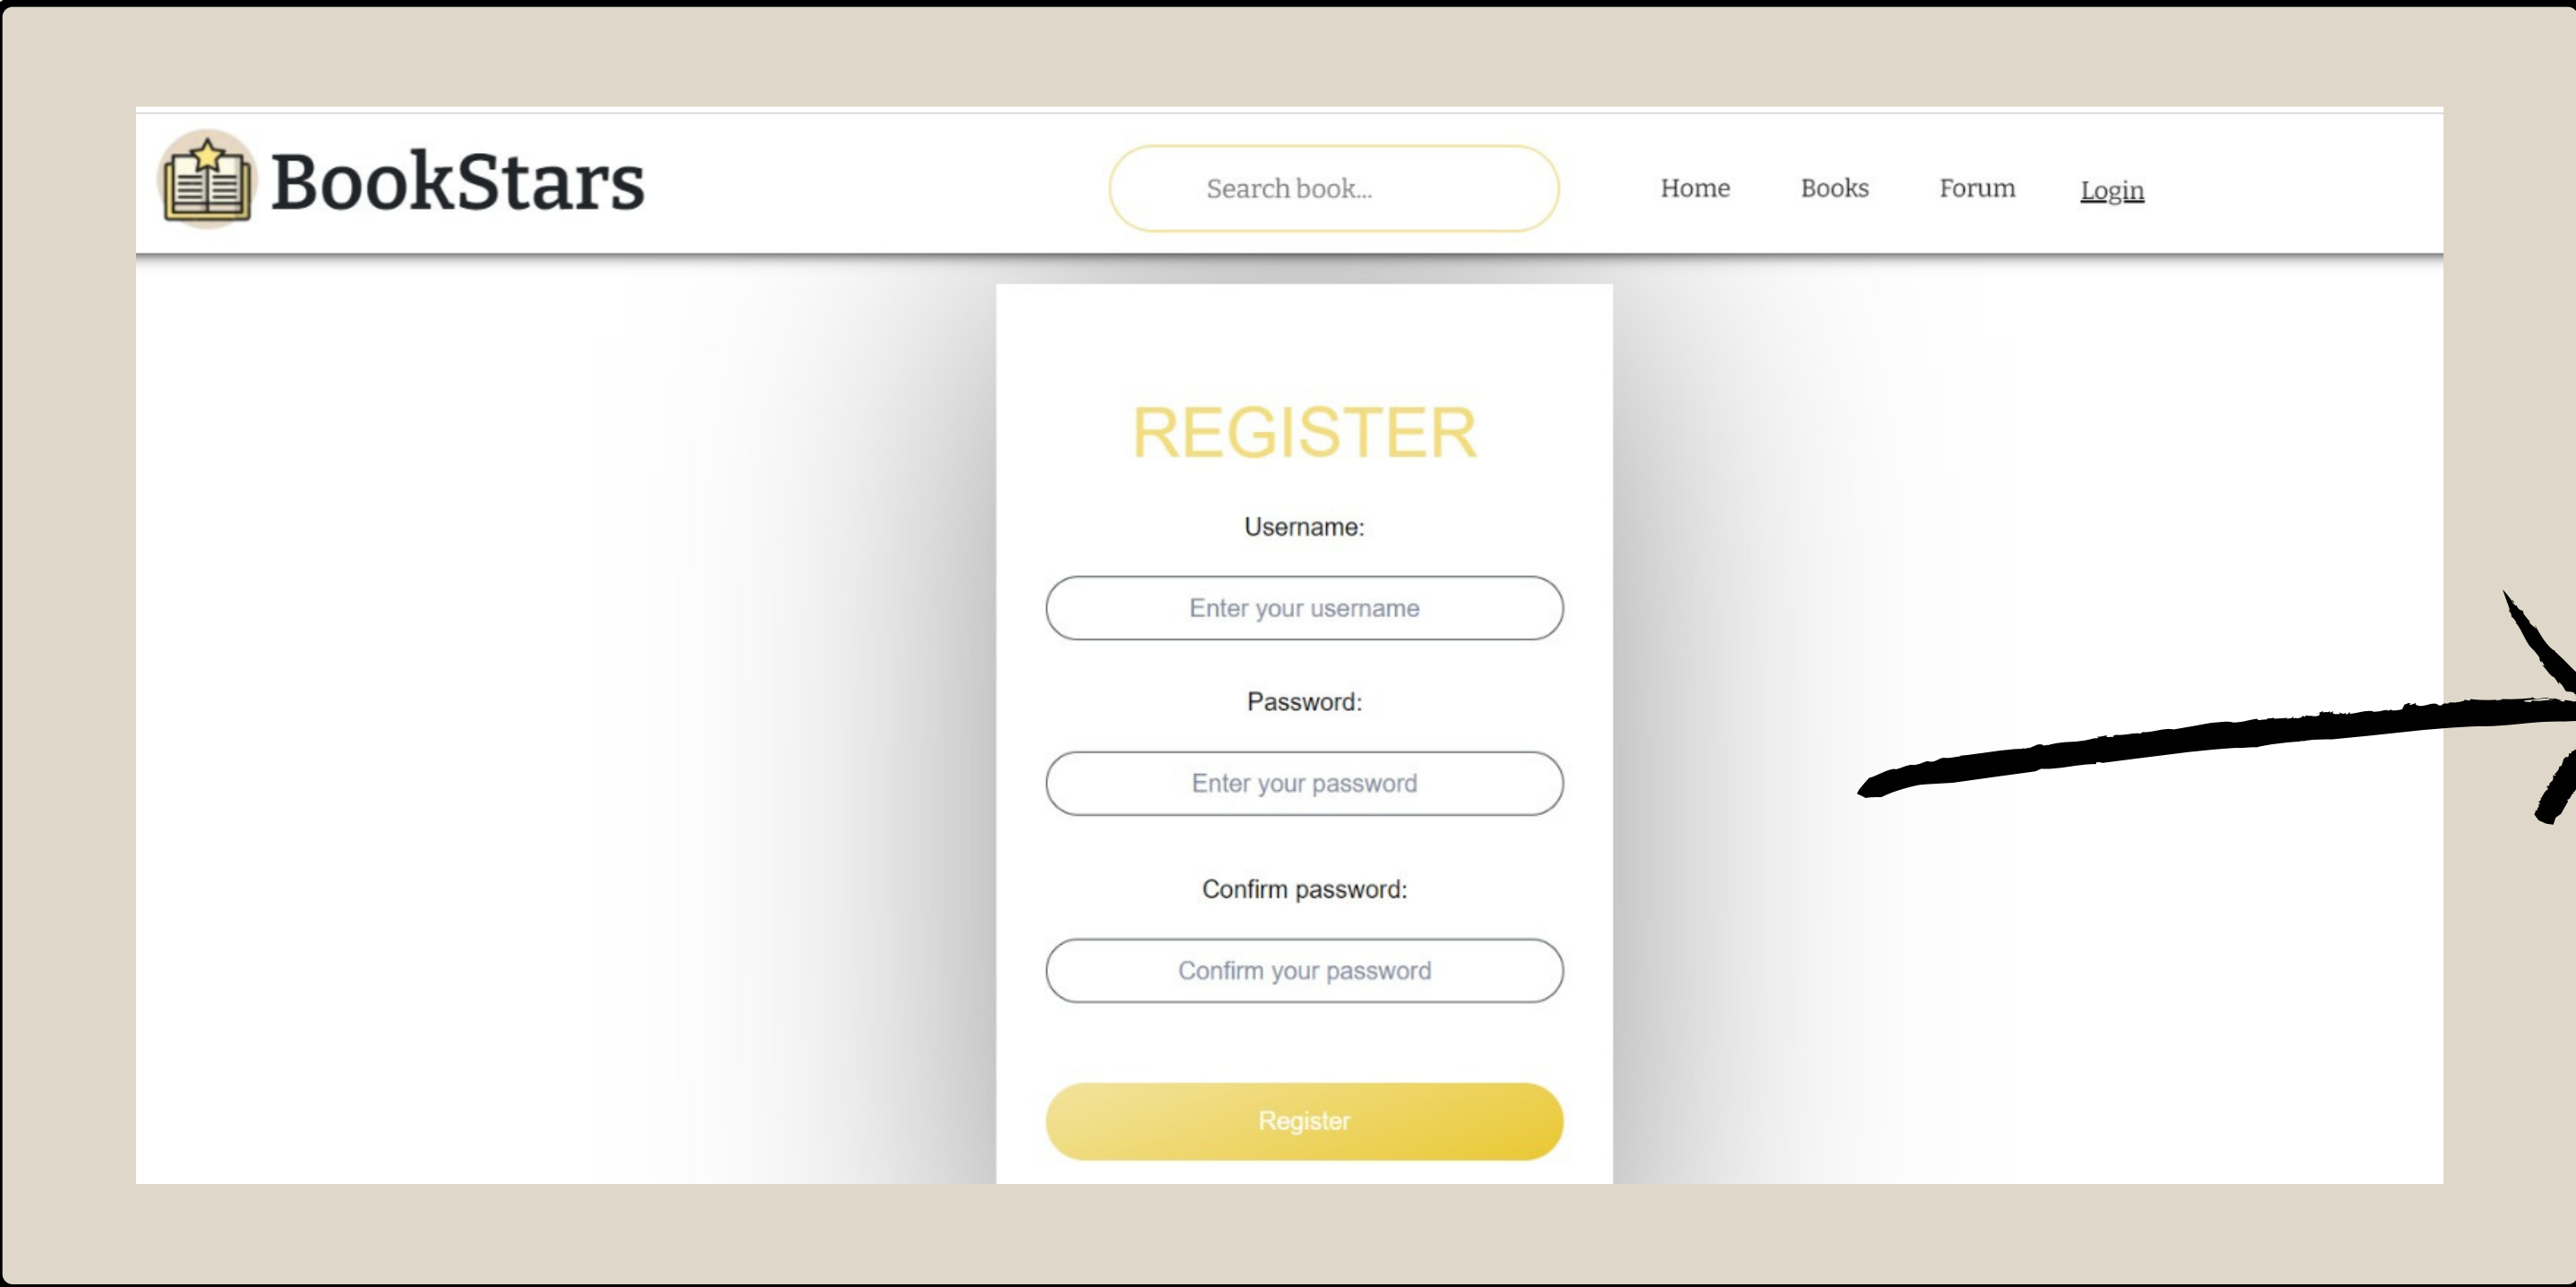

this is the login form, which requires username and password

REGISTER PAGE

Page 14 of 19

The image shows a web browser window displaying the 'BookStars' website. The header features the 'BookStars' logo on the left, a search bar with the placeholder text 'Search book...' in the center, and navigation links for 'Home', 'Books', 'Forum', and 'Login' on the right. The main content area is titled 'REGISTER' in large yellow letters. Below this title, there are three input fields: 'Username:' with the placeholder 'Enter your username', 'Password:' with the placeholder 'Enter your password', and 'Confirm password:' with the placeholder 'Confirm your password'. At the bottom of the form is a yellow 'Register' button. A large black arrow points from the right side of the form towards the explanatory text.

if the user does not have an account, he will have to create one that requires: username, password and password confirmation

CONCLUSION

We are happy that we managed to achieve almost everything we set out to do. We believe that our application will be quite useful for users and that it will help to form a more united community of readers. It is also easy to use and has a friendly interface.
